- Due to space limitations, **no cases of water, Gatorade etc. will be allowed on the luggage truck.**
- Each piece of luggage must be labeled with the luggage tags provided by Camp Moshava. **Please note that luggage tags are color-coded by program; if you lose your luggage tags, please contact the camp office for replacements.**
- Camper's name and permanent address should be marked inside and outside of luggage.
- To assist your child in packing at the end of camp, we recommend you attach a complete list of contents to the inside of your child's luggage.
- No luggage (aside from a small carry-on bag) will be permitted on the buses on the day campers depart.
- ***Sayeret Torah V'Avodah, MITs and Tzevet should pack a small bag with change of clothes, and linens for the first day; full luggage must be sent on the luggage truck on Thursday, June 22nd.***

### Camper Departure

- Please arrive 30 minutes before departure time; do not park in the synagogue lot.
- A camp representative will be stationed at each bus to check in the campers. Once campers board the bus, they will not be permitted to get off.
- Buses will leave on time. Please do not be late.

### Camper Return

- Parking will be allowed in the lot only after the buses have left and the luggage truck has been unloaded. Luggage will arrive at the same time as the campers. All luggage must be picked up when the campers return, as the camp does not have storage facilities at the lot.

**PARENTS PLEASE NOTE:** The parking lot will be filled with activity; please watch out for cars and traffic. For your child's safety, please instruct your child to pay attention to the instruction of Camp Moshava staff in the parking lot and on the buses.

*If you have any questions about luggage or transportation, please do not call the synagogue office; rather, please call the camp office at (847) 674-9733, x8.*
